

ambition

Fluming and Product Pumping

Pumping systems designed to suit customer requirements.

tech

- Advantages:**
- Large distance product transfer
 - High capacity handling
 - Low product damage
 - Water filtration & recycling
 - Fast transfer times
 - Hygienic design
 - Variable control
 - Low maintenance
 - Excellent reliability

- Technical Specification:**
- **Products:** Fruit, Vegetables, Salads
 - **Capacity (tonnes/hr):** 30
 - **Water Usage:** Efficient Use
 - **Product Pump:** Energy Efficient
